THE 1971 COLLECTION CRAFTED FROM OUR ARCHIVES

We delved into our archives to inspire the one-of-a-kind design of our new collection. The monochromatic, apothecary-style bottles are not our past practice of pouring hand-crafted mixtures into amber glass vessels for enhanced UV protection.

We reinvented the "MB" monogram from some of our earlier products, leading a strong visual presence and symbol of effortless unity to this collection. All finished with a twist of the distinctive, ribbed black cap.

A beautifully simple design that honours our heritage with a sense of the minimalist contemporary.
